[20 FR 7029, Sept. 20, 1955. Redesignated at 26 FR 12751, Dec. 30, 1961]

### § 927.111 Exemption committee.

The members and alternate members of the Control Committee residing in the district in which the applicant grower's orchard is located shall act as an exemption committee for that district and shall make or cause to be made such investigation as may be necessary to determine whether and to what extent such applicant will be prevented, because of the aforesaid grade, size, or quality regulations in effect, from shipping as large a percentage of the particular variety of his pears as the percentage of all pears of that particular variety permitted to be shipped from his district as determined by the Control Committee. In the event any member or alternate member of the Control Committee shall himself apply for an exemption certificate he shall be disqualified to serve as a member of the exemption committee to act upon the application.

### § 927.112 Issuance of exemption certificate.

In the event such exemption committee finds and determines from proof, satisfactory to the committee, that the applicant is entitled to an exemption certificate, such exemption certificate shall be issued so as to permit the applicant to ship or have shipped the requisite quantity of his pears. Each exemption certificate shall be signed by the secretary or assistant secretary of the Control Committee and one copy thereof shall be delivered to the grower, one copy shall be delivered to each shipper designated by the grower to receive a copy, and one copy shall be retained in the files of the Control Committee. In the event the secretary of the Control Committee has reason to believe that any such finding or determination by an exemption committee is improper or not in accordance with the facts, he may disapprove the same, and shall make or cause to be made such further investigation as he may determine to be necessary or advisable, and may re-

quest or obtain such information as he may deem necessary to enable him to determine whether or not and to what extent an applicant is entitled to an exemption certificate.

### § 927.113 Appeal to Control Committee.

Any grower, whose application is denied in whole or in part by the appropriate exemption committee or by the secretary of the Control Committee, may file a written appeal with the Control Committee within fifteen (15) days after the date of the notice to such grower of the decision involved. Upon receipt of such appeal, the secretary of the Control Committee shall submit the same, together with all applicable information and data, including the report of the exemption committee on that grower's application to the members of the Control Committee, who thereafter shall review the same and shall determine whether and to what extent the applicant is entitled to an exemption certificate. Thereupon the secretary of the Control Committee shall issue to that grower such exemption certificate as the Control Committee shall determine to be proper.

### § 927.114 Appeal to Secretary.

Any grower who is dissatisfied with the Control Committee's determination with respect to any appeal by that grower from a decision by an exemption committee or by the Secretary of the Control Committee with respect to that grower's application for an exemption certificate, may appeal from such determination by the Control Committee to the Secretary of Agriculture. Any such appeal shall be made by filing with the secretary of the Control Committee a written notice of appeal within fifteen (15) days after notice to that grower of the aforesaid determination by the Control Committee. Promptly upon receipt of notice of an appeal signed by the applicant, the secretary of the Control Committee shall forward to the Secretary of Agriculture, or to his designated representative, a true and correct copy of all information pertaining to that grower's application for an exemption certificate and the action taken thereon by the Control Committee, together with such written
